YARD LIGHT AGREEMENT

_____ requests to install the following number and type of high pressure sodium yard light:

_____ 100 HPS _____ 200 HPS _____ 400 HPS and agrees to pay Northcentral Mississippi Electric Power Association the current monthly yard light charge, for a minimum period of twelve months, which may be added to his/her electric bill for night lighting services.

It is understood that Northcentral EPA will install and maintain one complete light with photo control switch on an existing poles (any additional pole will be \$_____ each per month) and furnish electricity for members of Northcentral EPA at the current monthly charge per light.

It is agreed that if two or more members jointly have a light or lights installed, and if one or more members moves or stops paying on sold light(s), the remaining member(s) bill(s) will be increased to assure that Northcentral EPA receives the total monthly yard light charge.

Northcentral Mississippi EPA will replace any and all failing parts, within a reasonable time after being notified by the member that the light(s) has/have failed to function properly, at no cost to the member.

Northcentral EPA reserves the right to remove any light or lights that may be misused or damaged in any way.
